Algoma UNIVERSITY

INTERNATIONAL VIEWBOOK
2027 - 2028

ACKNOWLEDGEMENT OF TRADITIONAL TERRITORIES

Algoma University acknowledges that its three campuses are located on the traditional and treaty lands of Indigenous Peoples who have cared for these territories for generations.

Our Sault Ste. Marie campus sits in Baawaating, set aside for education as envisioned by Chief Shingwauk for our children and for those as yet unborn. Located in the Robinson-Huron Treaty territory, this land is the traditional territory of the Anishinaabek, specifically the Garden River and Batchewana First Nations, as well as Métis People. Sault Ste. Marie is also home to several urban Indigenous Peoples.

Our Brampton campus is part of the Treaty Lands and Territory of the Mississaugas of the Credit. In particular we acknowledge the territory of the Anishinaabek, particularly the Huron-Wendat, Haudenosaunee and Ojibwe/Chippewa Peoples; the land that is home to the Métis; and most recently, the territory of the Mississaugas of the Credit First Nation, who are direct descendants of the Mississaugas of the Credit.

Our Timmins campus is located on Treaty #9 territory, also known as the James Bay Treaty. It is the traditional territory of the Ojibwe/Chippewa, including the Mattagami First Nation, as well as the Mushkegowuk (Cree), Algonquin, and Métis Peoples.

SMALL CLASSES, BIG SUPPORT.

Our professors know your name. With small class sizes and a student-first approach, we offer personalized support, free tutoring, free mental health services, housing assistance, and 24/7 wellness support because your success is our priority.

PROUDLY ONE OF ONTARIO'S PUBLIC UNIVERSITIES

Offering an education that's accessible, meaningful, and built for your future. Empowering students to learn, explore, and belong.

BRAMPTON

LEARN WHERE OPPORTUNITY BEGINS.

As Brampton's University, Algoma University offers a personalized education in one of Canada's fastest-growing cities. Study in the heart of Ontario's Innovation Corridor, where your classroom is connected to career opportunities, a vibrant downtown, and the experiences that will help shape your future.

Learn in the Heart of Brampton

Study at a downtown campus in one of Canada's fastest-growing cities, where education is connected to your community.

Connected to Opportunity

Located in the heart of Ontario's Innovation Corridor, with access to internships, networking, work-integrated learning, and career opportunities across the Greater Toronto Area.

Personalized Education

Learn in small classes with supportive professors who know your name and are invested in your success.

Explore Your City

Discover downtown Brampton, local cafés and restaurants, community events, and hundreds of parks, trails, and green spaces.

Close to Everything

Enjoy convenient access to Toronto, Mississauga, Vaughan, Pearson International Airport, and Canada's largest job market.

Build Your Future

Graduate with the knowledge, experience, and professional connections to launch your career with confidence.

SAULT STE. MARIE

Discover a university experience where learning extends beyond the classroom. Surrounded by the natural beauty of Northern Ontario, Algoma University's Sault Ste. Marie campus offers hands-on learning, unforgettable outdoor experiences, and a welcoming community where you can grow academically, personally, and professionally.

Experience Northern Ontario
Study in a destination where forests, lakes, and natural landscapes become part of your everyday university experience.

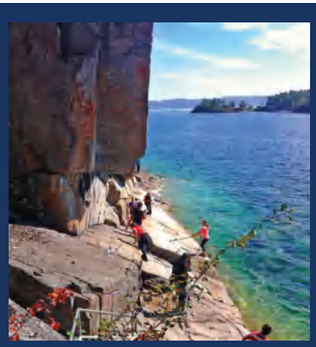

Learn Beyond the Classroom
Gain hands-on experience through undergraduate research, fieldwork, experiential learning, and community partnerships.

Personalized Education
Benefit from small class sizes, supportive professors, and a close-knit campus community where you'll be known by name.

Explore Year-Round
Hike, paddle, bike, ski, snowshoe, and discover waterfalls, trails, and the shores of Lake Superior just minutes from campus.

Build Meaningful Connections
Get involved in campus life, research, and community initiatives while forming lasting friendships and professional networks.

Belong in a Welcoming Community
Experience a supportive campus where you can grow academically, personally, and professionally while finding your place.

TIMMINS

A Collaborative Campus Experience
Located on the Northern College campus, Algoma University offers students the best of both institutions—access to a close-knit university experience within a modern college environment featuring shared facilities, services, and campus amenities.

Seamless Transfer & Pathway Opportunities
Turn your college diploma into a university degree through flexible transfer pathways, joint admission, and 2+2 agreements. Eligible students can receive significant transfer credit, making it faster and more affordable to earn both a diploma and a degree.

Career-Focused Learning for Northern Ontario
Programs are designed to meet regional workforce needs through strong connections with community organizations, employers, and local partners. Students gain practical experience while developing the knowledge and skills to make a meaningful impact in Northern communities.

A Northern Experience with Big Opportunities
Study in the heart of Northern Ontario while enjoying a welcoming campus community and access to residence, fitness facilities, student services, and extracurricular opportunities through Northern College.

UNDERGRADUATE TUITION

Tuition	International Students
Full-Time Tuition	$22,601.26
Required Fees	$971.02
Total	**$23,572.28**

**All fees are in Canadian dollars. Fees are based on the 2026/2027 academic year and are subject to change at any time. 2027/2028 fees will be announced in May 2027. Laboratory courses will be charged an additional $22 per 3-credit course, and studio courses will be charged an additional $22 per 3-credit course. The Sault Ste. Marie bus pass is an additional $82.80 per semester (not applicable to full-time online or FNMI Sponsored students). Fees listed do not include mandatory student health plans. Students who have proof of coverage may opt out of the health plan after registration.*

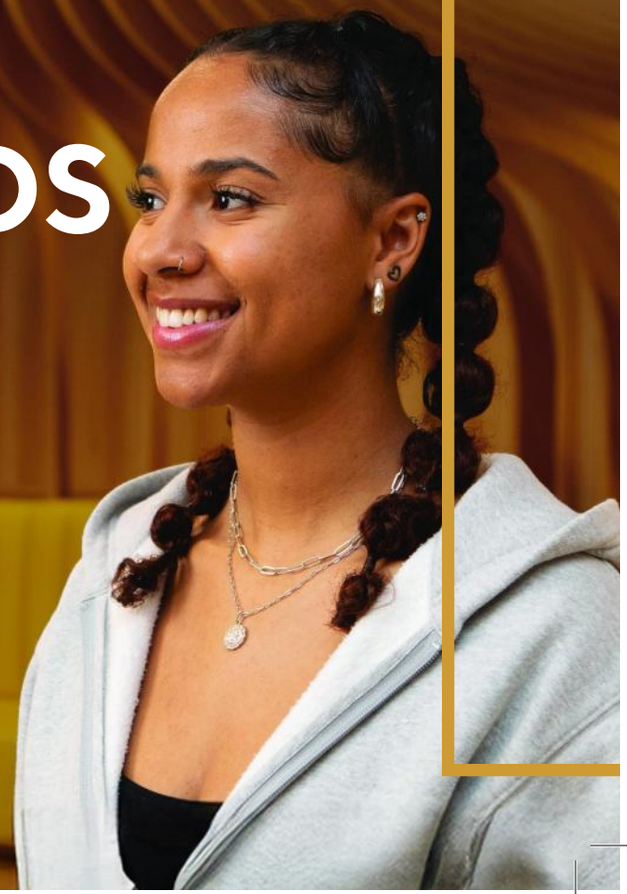

SCHOLARSHIPS, BURSARIES & AWARDS

ALGOMA UNIVERSITY'S ENTRANCE SCHOLARSHIPS

International students, entering their first year of full-time study in a Bachelor Degree program at Algoma University will be considered for an entrance scholarship. To be eligible for these prestigious awards, students must achieve a minimum academic result direct from high school, or on previous academic records if transferring from another university. No application is required.

CHANCELLOR'S AWARD	$5000 CAD (renewable)	A+ (≈ 90–100%)
THE PRESIDENT'S AWARD	$2,500 CAD	A / A– (≈ 85–89%)
DEAN'S AWARD	$1,000 CAD	B+ (≈ 80–84%)
AWARD OF EXCELLENCE	$500 CAD	B (≈ 75–79%)

Additional eligibility criteria may apply.

Choosing a Biology degree at Algoma University completely changed my path. The hands-on learning opportunities, research experiences, and internships helped me build valuable skills, grow my confidence, and become part of a supportive academic community. Completing an undergraduate thesis and presenting my research at provincial conferences were highlights of my experience and helped prepare me for the next step in my healthcare journey. I am incredibly grateful to Algoma University for helping me grow both personally and professionally, and my advice to future students is to always welcome new opportunities.

— Vaidehi
Bachelor of Science in Biology

Choosing Algoma University was one of the best decisions I've made. As a local student studying Computer Science, I wanted a university where I could learn, grow, and be part of a supportive community. Volunteering with Student Life helped me build confidence, develop leadership skills, and make lifelong friends. My professors have always been supportive and encouraging, and Algoma has given me opportunities both inside and outside the classroom. I'm proud to be part of this community.

— Arya
Bachelor of Computer Science

GRADUATE PROGRAMS

Master of Computer Science

Tuition: $25,500 CAD/program

Brampton or Sault Ste. Marie Campus
12 Months (3 semesters)
Full-time
Course-based

This 12-month, course-based Master of Computer Science develops advanced skills in software engineering, cybersecurity, data analytics, AI, and IT systems through hands-on, industry-focused coursework.
Admission: Four-year Computer Science or related degree with 70% (B) overall or 75% (B+) over the last two years. Applicants must have completed 3 foundational CS courses. Two or more backlogs in core CS courses may significantly affect admission.

Master of Science in Business Analytics

Tuition: $40,600 CAD/program

Sault Ste. Marie (with an optional last term in Brampton)
16 Months (4 semesters)
Full-time
Course-based with Capstone project

This course-based program prepares students for today's analytics-driven economy, focusing on data science, business intelligence, and applied analytics to drive organizational growth and innovation.
Admission: Four-year Bachelor's degree in a relevant field with a strong quantitative background. Other backgrounds may be considered with 4 quantitative courses averaging B+ or higher. Minimum GPA: B or equivalent. GRE/GMAT not required.

Master of Computer Science, Data Science and AI Specialization

Tuition $34,000 CAD/program

Brampton or Sault Ste. Marie Campus
16 Months (4 semesters)
Full-time
Course-based

This 16-month, course-based Master of Computer Science program prepares students for advanced careers in Data Science and AI, with expertise in artificial intelligence, machine learning, data science, and software systems.
Admission: Four-year Bachelor's degree in a relevant field. Applicants from other backgrounds may be considered with 4 quantitative/analytical courses averaging B+ or higher in at least 2 areas: statistics, calculus, linear algebra, or programming. Minimum GPA: B or equivalent.

Master of Global Business and Economy

Tuition: $40,000 CAD/program

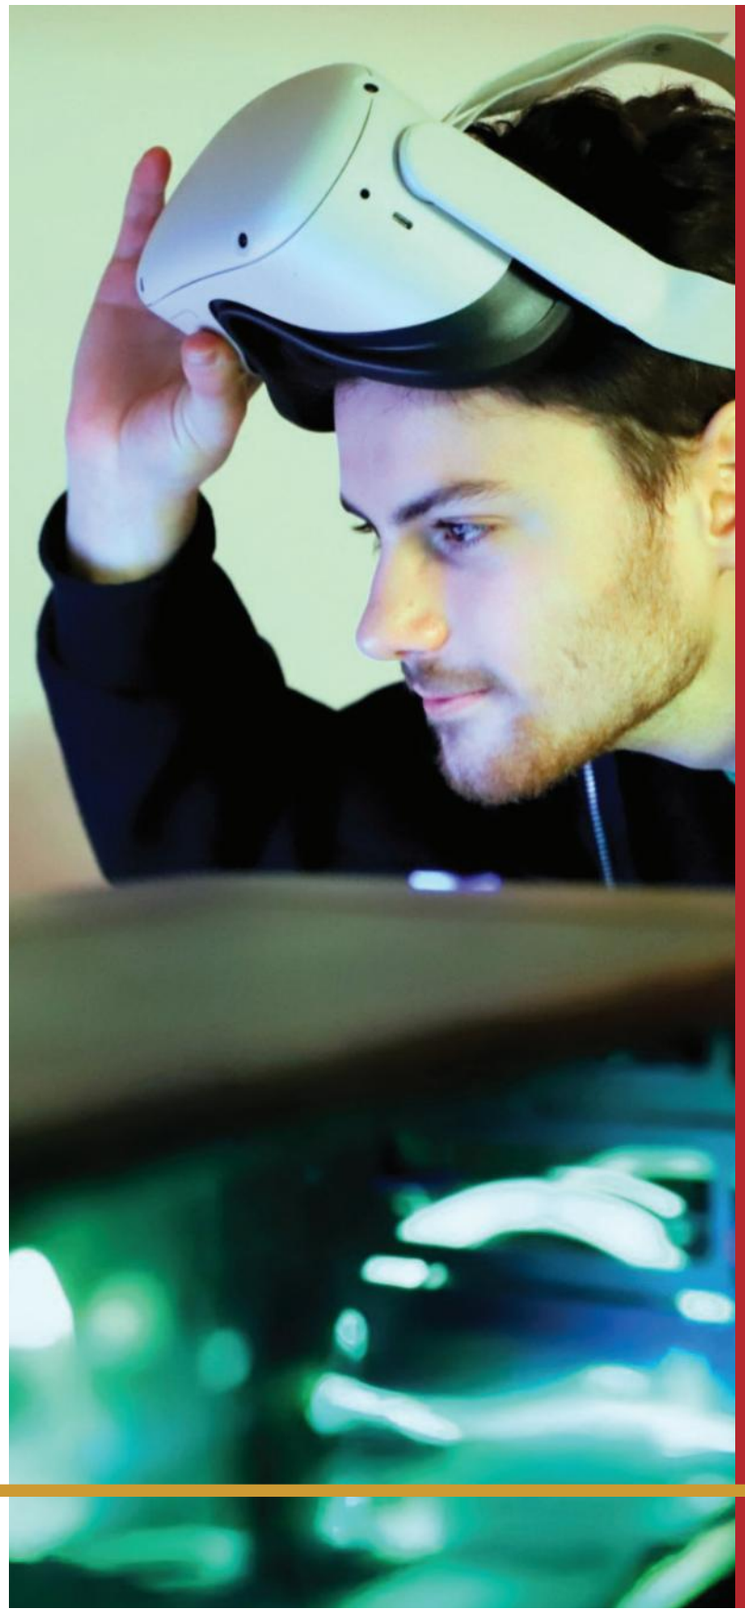

Brampton or Sault Ste. Marie Campus
2 years (4 semesters)
Full-time
Course-based

The 2-year Master of Global Business and Economy (MGBE) develops critical thinking, communication, and analytical skills for careers in international business, policy, and economic analysis.
Admission: Four-year undergraduate degree in any discipline with a minimum 75% (B+) average over the last two years. A quantitative background is required.

GRADUATE ADMISSIONS

PROGRAM	CAMPUS	DELIVERY	PROGRAM LENGTH	MINIMUM OVERALL AVERAGE
Master of Computer Science	BRAM/ SSM	Full-time Course-based	12 Months	70% (B)
Master of Computer Science, Data Science and AI Specialization	BRAM/ SSM	Full-time Course-based	16 Months	75% (B+)
Master of Global Business and Economy	BRAM /SSM	Full-time/ Course-based	2 years (4 Semesters)	75% (B+)
Master of Science in Business Analytics	SSM	Full-time/ Course-based	16 Months	70% (B)

Admission to all graduate programs requires a formal application. Transfer between programs is not permitted. For details on program-specific admission requirements, please refer to the individual program pages.
**Tuition and fees apply to the 2026/27 academic year and are subject to change without notice.*

ENGLISH LANGUAGE REQUIREMENTS

International applicants may be required to demonstrate English language proficiency for admission to Algoma University. Depending on their academic background and country of study, students may qualify for an exemption, submit an approved English language test, or complete an approved English language pathway program. Requirements and accepted methods of demonstrating proficiency vary by applicant.

Meet the English Language Requirement through Proficiency Tests

OFF-CAMPUS HOUSING

Algoma University offers convenient off-campus housing near both campuses. In Sault Ste. Marie, the campus is in a residential neighbourhood on a major bus route with most commutes under 20 minutes. In Brampton, the downtown campus is steps from the GO Station with easy access across the GTA. Students can search rentals through Places4Students, with additional listings for Brampton available on Urban Abode.

At our Sault Ste. Marie campus, residence buildings are centrally located, just a two-minute walk from classes, labs, and key facilities. All residences offer internet, laundry, mail facilities, and 24-hour surveillance. All residences have Residence Advisors, upper year students to help with your transition and answer any questions you may have about life on campus! The dormitories also include weekly cleaning for bathrooms and common areas.

@DiscoverAlgomaU @AlgomaU

The Thunderbird represents the inspiring heart of the Algoma University brand. Its thunder, lightning and rain cleanses and gives power to the earth and its people. Adopted in the early 1970s from the pictographs within the Agawa Bay region of Lake Superior, it symbolizes our collective hope as we emerge from a dark past into a brighter future for all - learning from and with each other.
